**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)
OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Dear Sir/Madam,

**GENERAL MANDATES TO ISSUE AND REPURCHASE SECURITIES
AND
RE-ELECTION OF DIRECTORS**

1. INTRODUCTION

The purpose of this circular is to provide information to the Shareholders as required by the Stock Exchange on the proposals relating to:

- 1.1 the grant of the Issue Mandate and the Repurchase Mandate to the Directors; and
- 1.2 the re-election of the retiring Directors.

LETTER FROM THE BOARD OF DIRECTORS

This circular will further give Shareholders the Notice of Annual General Meeting at which resolutions approving the above proposals will be considered and voted upon.

2. GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE NEW SHARES

At the annual general meeting of Shareholders held on 5 May 2009, approval was given by Shareholders for the granting of, inter alia, a general mandate to the Directors (i) to repurchase Shares on the Stock Exchange up to 10% of the issued share capital of the Company; and (ii) allot and issue Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company, both as at the date of passing the relevant resolutions. In accordance with the terms of the approval, these general mandates will shortly expire on 18 May 2010 upon the conclusion of the forthcoming Annual General Meeting. To keep in line with current corporate practice, the grant of fresh general mandates for the same purpose is being sought from Shareholders and an Ordinary Resolution to grant the Repurchase Mandate to the Directors will be proposed at the Annual General Meeting. The explanatory statement required by the GEM Listing Rules to be sent to Shareholders in connection with the proposed Ordinary Resolution to approve the Repurchase Mandate is set out in Appendix I to this circular.

In addition, Ordinary Resolutions will also be proposed (i) to grant to the Directors the Issue Mandate and (ii) to approve the addition to the Issue Mandate to issue and allot Shares under (i) above of such number of Shares purchased by the Company in accordance with the Repurchase Mandate.

As at the Latest Practicable Date, the total number of Shares in issue was 8,203,300,000 Shares. Assuming there is no issue of Shares or repurchase of Shares from the Latest Practicable Date up to the date of the Annual General Meeting, the number of Shares that can be issued pursuant to the Issue Mandate and that can be purchased by the Company under the Repurchase Mandate will be 1,640,660,000 Shares and 820,330,000 Shares respectively, representing 20% and 10% of the Company's issued share capital as at the date of the passing of such Ordinary Resolutions at the Annual General Meeting.

If the Issue Mandate and the Repurchase Mandate are granted to the Directors, they will be valid for the period from the date of passing the relevant Ordinary Resolutions up to the date of the next annual general meeting in 2011, or the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held, or the revocation or variation of the Issue Mandate or the Repurchase Mandate by an ordinary resolution in a general meeting of the Company, whichever of these three events occurs first.

At the Annual General Meeting, resolutions will be proposed to approve, inter alia, the granting of the Repurchase Mandate and Issue Mandate and the extension of the Issue Mandate by the addition thereto of the number of Shares repurchased pursuant to the Repurchase Mandate and the re-election of Directors. A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the website of the Stock Exchange (www.hkex.com.hk). Yours faithfully,
For and on behalf of
China Bio Cassava Holdings Limited
Leung Lap Yan
Chairman

This appendix serves as the explanatory statement required to be sent to Shareholders by the GEM Listing Rules in connection with the repurchase by companies with a primary listing on the Stock Exchange of their own securities. The intention of this explanatory statement is to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the proposed Repurchase Mandate to be granted to the Directors, which relates to Shares.

1. FUNDING OF REPURCHASE

It is envisaged that repurchase will be funded entirely from the Company's available cash flow or working capital facilities which are funds otherwise available for dividend or distribution and thus legally available for such in accordance with the provision of the Memorandum of Association, the Articles of Association and the laws of the Cayman Islands. There might be a material adverse impact on the working capital or gearing levels of the Company (as compared with the position disclosed in the latest published audited account) in the event the Repurchase Mandate was exercised in full at any one time. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

2. REASONS FOR REPURCHASE

Repurchases of securities will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or the earnings per Share.

3. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised 8,203,300,000 Shares. Subject to the passing of an Ordinary Resolution at the Annual General Meeting approving the Repurchase Mandate on the basis of 8,203,300,000 Shares in issue at the date of the Annual General Meeting (assuming no further Shares will be issued or repurchased after the Latest Practicable Date and up to the date of the passing of such resolution), the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 820,330,000 Shares during the period from the passing of the resolution granting the Repurchase Mandate at the Annual General Meeting up to (i) the conclusion of the next annual general meeting, or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any relevant law to be held, or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first.
